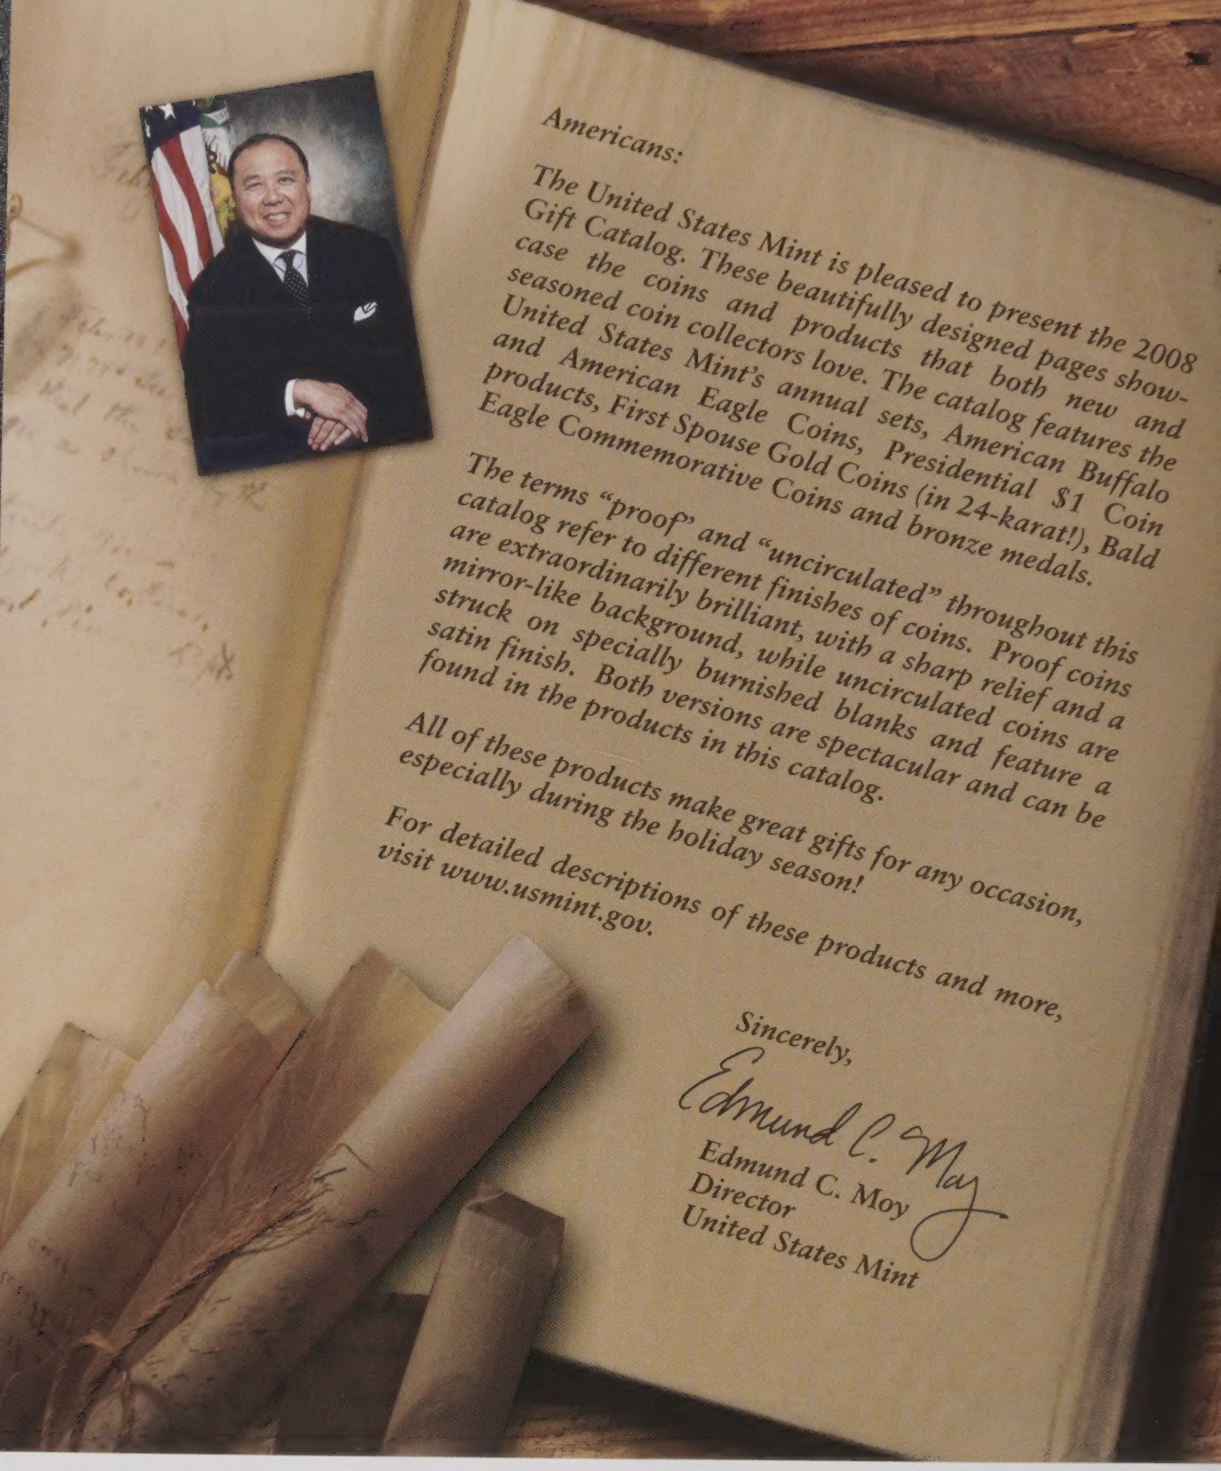
UNITED STATES MINT

2008 GIFT CATALOG



Americans:

The United States Mint is pleased to present the 2008 Gift Catalog. These beautifully designed pages showcase the coins and products that both new and seasoned coin collectors love. The catalog features the United States Mint's annual sets, American Buffalo and American Eagle Coins, Presidential $1 Coin products, First Spouse Gold Coins (in 24-karat!), Bald Eagle Commemorative Coins and bronze medals.

The terms "proof" and "uncirculated" throughout this catalog refer to different finishes of coins. Proof coins are extraordinarily brilliant, with a sharp relief and a mirror-like background, while uncirculated coins are struck on specially burnished blanks and feature a satin finish. Both versions are spectacular and can be found in the products in this catalog.

All of these products make great gifts for any occasion, especially during the holiday season!

For detailed descriptions of these products and more, visit www.usmint.gov.

Sincerely,

Edmund C. Moy

2009 ULTRA HIGH RELIEF DOUBLE EAGLE GOLD COIN

Next year, the 2009 Ultra High Relief Double Eagle Gold Coin will be available to collectors and gift givers. Struck in 24-karat gold (.9999 fine), this coin is Augustus Saint-Gaudens' full vision of an ultra high relief coin. The original design was updated by adding four stars to represent the current 50 states, the inscription "In God We Trust," which was not on the original 1907 version, and 2009 in Roman numerals. The motto "E Pluribus Unum" is raised on the coin's edge.

More information about the history of this coin is available on our website. A separate brochure and order form will be sent to you for your convenience in purchasing this product when it becomes available in 2009. Price to be determined.
